# GOOD SAMARITAN CHILDREN'S HOME

---

*"A Safe Place We Call Home"*

---

Hello from the Good Samaritan Children's Home - providing a safe place for children in need. We are so grateful for the faithful supporters who pray for and financially support our children and staff. You truly make it possible for us to love on and provide for the needs of all the children who come to us in a time of need.

---

Praise the Lord with us as you watch this minute-long video of the well-drilling process.

### Well Project Report!!

Thank you to everyone who prayed for and was a part of raising funds for a well to be drilled for the Good Samaritan Children's Home. This project has literally taken years - gathering all the appropriate studies and approvals for this work to be done legally. God bless Ego (Dad & Director) for his perseverance and dedication to this project!

We are so happy to report that the well is drilled (315 ft.), the pump is installed, and the water supply is abundant - keeping the cistern continually full of water! **No more hauling water! No more carrying buckets!** We praise the Lord for a good water supply for this large family!

### The Lord is Changing Lives!

During a visit back in May, Lori was able to pray with two of our new girls who desired to know Jesus as their personal Savior. Hallelujah! In September when we visited, several were painting together in the art room. Anabel painted a colorful page with the words “**the Good Samaritan changed me**” and below, the words “Mami Sol, Papi Ego, happy, love, strong.” Wow! So powerful! In talking to her about her painting, Anabel explained that just months ago when she arrived to the home she had barely heard about Jesus. Her family is full of witch doctors and witchcraft. But at Good Samaritan she has come to know all about Jesus. She loves going to the chapel to sing and worship Him. She wants to continually learn more about Jesus. Praise the Lord for another life changed! We don’t know how long Anabel will be with us. She has contact with her mom and the social workers have the goal of reuniting her with her family. Please join us in praying for Anabel and all of our children. May the Lord continue transforming lives!

## Back to School!

New shoes, new uniforms, and great attitudes! All the children were ready to get out of the house and go back to school. Ego and Sol are so grateful to every supporter that makes it possible for the kids to go to Christian schools! Thank you for helping us provide good education and brighter futures for the children the Lord has placed in our care.

Due to various reasons including age, severe learning delays, or knowing the placement is temporary, we have quite a few children at home these days too - learning through life and helping around the house. :)

### Life in a Large Family...

The home of such a large family is a busy place! Many things are happening every day and it seems the changes are constant. Over the past 8 months our six oldest children have all moved out. It is definitely bittersweet. We are so thankful when God opens a door for them to live with a relative or have the opportunity to further their education, but we miss them as well. Would you please continue to pray for Gregori, Natali, Yafreisy, Jefri, Modnel, and Jose Ernesto? May they remain firm in their faith as they learn to walk more independently and are in new surroundings.

The government agency calls often, asking if the home has room to receive more children in need. This year we've received several adolescent girls as well as a little boy. Their stories are always difficult to hear, but we are thankful for the opportunity to provide protection, show love, and share the hope we have in knowing Jesus.

Thank you again to everyone who financially supports the Good Samaritan family and/or prays faithfully for them. You are providing "a safe place to call home" for many children. May God bless you all!
